**a reading of**  
**TEN-MINUTE PLAYS**  
**Saturday, June 5th, 2021**  
**The Orchard Barn**

A community creative process: this event owes its existence to Frank and Jan Asch, who first brought this idea to Middletown Springs. With excited thanks to the writers for putting themselves out there, to the readers for committing to bringing words to life, to Dan and Judy, Kyle and Steven Querrey for hosting us, and to Meg Bouchard for shaping each piece with her impeccable ear and instincts.
